

2014  
ALL NEW CADILLAC CTS SEDAN

CRAFTED TO THRILL.

Its design is striking, inside and out. Every component, honed and crafted. Thrilling performance and sophisticated technology lurk within, while the extraordinary design is outwardly unmistakable. Destined to stand out among the world's leading luxury cars, this exceptional sedan elevates the notions of luxury and sport. Dynamic, intriguing design. A critically acclaimed lightweight architecture. A meticulously detailed interior. The all new CTS is a driver's car in the truest sense of the term and breathtaking to behold, both inside and out.

HEARTS WILL RACE.

SYNAPSES WILL FIRE.

CTS VSPORT PREMIUM / Kona Brown

3.6L TWIN TURBO DIRECT-JECTED V6 ENGINE

Drawing from its V-Series DNA, the all new CTS Vsport<sup>1</sup> features the most power-dense 6-cylinder engine in its segment: a direct-injected Twin Turbo V6 that puts out a staggering 420 hp and 430 lb.-ft. of torque. Perfectly paired with an 8-speed transmission, it launches to 96 km/h in 4.4 seconds. To further bolster its credentials, the CTS Vsport offers Magnetic Ride Control—featuring an exclusive Track mode—enhanced ZF® premium steering system and Brembo® front brakes. A standard electronic limited-slip differential (eLSD) helps increase control and maximizes stability and acceleration during cornering.

THE SPEED OF LIGHT.

The all new CTS is the lightest rear-wheel-drive car in its class, with a dynamic chassis that's nearly 200 lbs. lighter than the BMW 528i. With advanced lightweight materials used extensively throughout, the CTS Sedan is nothing short of an engineering marvel. To validate its credentials, we pushed it to its limits on Germany's famed Nürburgring racetrack. Then we fine-tuned it back home for a dynamic yet sophisticated ride.

CTS VSPORT PREMIUM / Phantom Grey Metallic

EXPECT AN  
INSTANT RESPONSE.

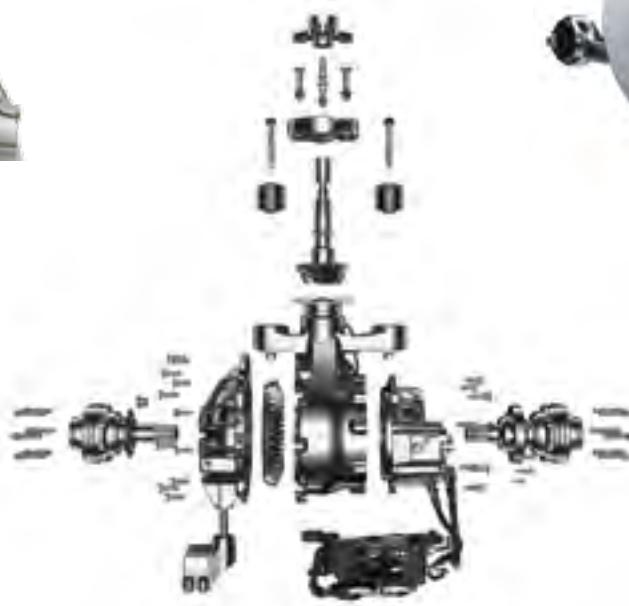

Pair the potent 272-hp 2.0L Turbo or the available 321-hp 3.6L V6 engine with Performance-Tuned RWD or available AWD with active-torque technology. Maximize traction with an eLSD when you choose the mighty 420-hp Twin Turbo V6 in the Vsport. Then experience uncompromising handling with the latest generation of Magnetic Ride Control featuring up to four selectable modes—Tour, Sport, Snow/Ice and Track. For confident stopping power, racing-inspired Brembo® front brakes are at the ready, while a ZF® premium steering system enhances the connection between the driver, the vehicle and the road.

**MAGNETIC RIDE CONTROL**  
The available revolutionary Magnetic Ride Control seamlessly adjusts to the road up to 1,000 times per second, maintaining excellent body control, chassis composure and sophisticated ride.

**BREMBO® BRAKES**  
We combined forces with the world-renowned brake experts at Brembo to engineer the fixed-caliper, aluminum 4-piston front brakes that deliver remarkable stopping power and consistent pedal feel.

**ELECTRONIC LIMITED-SLIP DIFFERENTIAL (eLSD)**  
The CTS Vsport includes an eLSD that uses vehicle sensors and driver inputs to determine the optimum amount of engagement for the conditions. This optimized torque split between the rear wheels allows for precise steering feel, enhanced stability and maximum traction through corners.

**PURPOSE-BUILT SUSPENSION**  
Using a double-pivot MacPherson strut in the front and a five-link rear design, the independent suspension in the CTS was purposely engineered for a dynamic yet comfortable ride.

To achieve a physique this striking, countless hours were spent refining the bold look of the reimaged CTS Sedan. No element, detail or characteristic was left untouched. A long, low profile with a short front overhang yields an athletic yet sophisticated presence. Finely sculpted lines flow from front to rear, giving it a pulled-back stance and a strong, confident look that is unmistakably Cadillac.

The CTS is striking down to every perfectly crafted detail, beginning with a refined grille accented by a Galvano satin-chrome finish. Your eyes are then drawn to LED signature lighting with available adaptive High-Intensity Discharge (HID) headlights. What follows is the filleted crease work on the aluminum hood as it flows into the dramatic angle of the acoustically laminated sloped windshield. To the rear, you'll find artful touches like an integrated dual exhaust and a deck-lid spoiler that ingeniously doubles as an LED brake light.

## THE SEAT OF POWER

IS A BEAUTIFUL ONE.

CTS VSPORT PREMIUM / Kona Brown

### PREMIUM LEATHER SEATS

Finish the meticulously crafted interior with available Opus semi-aniline leather seating. This unique, luxurious leather is renowned for its ultra-soft feel and refined appearance.

### AMBIENT INTERIOR LIGHTING

Available Ambient Interior Lighting highlights the dash and door trim, creating a museum-like presentation.

### ELECTRONIC CUPHOLDER COVER

When you need a cupholder, it appears. When you don't, an ingenious touch-sensitive electronic cover elegantly conceals it.

Cabin controls in the CTS are placed precisely where the hand naturally falls. This premium experience is heightened with one of eight unique interior environments featuring an array of exotic woods and authentic materials, accented by the warm glow of available Ambient Interior Lighting. The leather seating surfaces are skillfully joined using hand cut-and-sewn craftsmanship. A Bose® Centerpoint® Surround Sound system provides a concert-like experience, while the Bose Active Noise Cancellation reduces an unwanted narrow band of low-frequency sounds. Further customization includes available features like 20-way adjustable front seats, reconfigurable gauge cluster, full-colour Head-Up Display and the dramatic Ultra View® sunroof.

BUILT WITH AN EMPHASIS  
ON BRILLIANCE.

Bring the intuitive brilliance of a tablet to your entire driving experience with CUE<sup>1</sup>—Cadillac User Experience. Its stunning 8" LCD touch screen effortlessly senses your hand as it approaches. Zoom closer on a map. Swipe through your music choices. Or use Enhanced Voice Recognition to make a phone call by simply saying a name. CUE also lets you preset up to 60 favourites—including points of interest, addresses and phone numbers—and seamlessly accesses every contact and song on your Bluetooth®-enabled smartphone. It even features a Handset Voice Recognition function that allows direct access to your smartphone's interface and an available 3-D GPS navigation system<sup>2</sup>, putting more customization and content possibilities right at your fingertips.

EVEN THE SEAT HELPS KEEP YOU  
CONSTANTLY AWARE  
OF YOUR SURROUNDINGS.

Utilizing advanced radars and cameras, the patented available Safety Alert Seat intuitively sends pulses through the seat cushion—left, right or simultaneously—alerting you to a variety of potential hazards.

1. CUE functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit CUE.Cadillac.ca for more details. 2. At the time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

DRIVER ASSISTANCE WITH AN  
EVEN HIGHER IQ.

The available Driver Assist Package adds the highest level of convenience and technology. Equipped with Front and Rear Automatic Braking, the CTS Sedan can apply the brakes for you to help prevent certain low-speed collisions. Adaptive Cruise Control<sup>1</sup> seamlessly adjusts to the ever-changing flow of traffic, and Automatic Safety Belt Tightening provides additional safety. Perhaps most impressive is the Automatic Parking Assist, which scans for an available parking spot and automatically steers itself into a parallel parking space.

1. Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle.

A HIGHLY INNOVATIVE APPROACH TO  
PERSONAL PROTECTION.

It starts with a protective safety cage constructed with ultra-high-strength steel alloys for exceptional rigidity. Then we added strategically placed crumple zones and preventive safety features like StabiliTrak Electronic Stability Control and full-function traction control systems. From there, a sophisticated anti-lock braking system (ABS) with Auto-Dry functionality and Electronic Brake Force Distribution (EBD) helps balance stopping power between the front and rear brakes. Additional confidence comes with the benefits of OnStar<sup>®</sup><sup>1</sup> with Automatic Crash Response along with ten standard airbags.<sup>2</sup> And among the many CTS anti-theft innovations is an available tilt sensor that sets off an alarm when the vehicle angle is changed, such as lifting the vehicle for wheel theft or unauthorized towing.

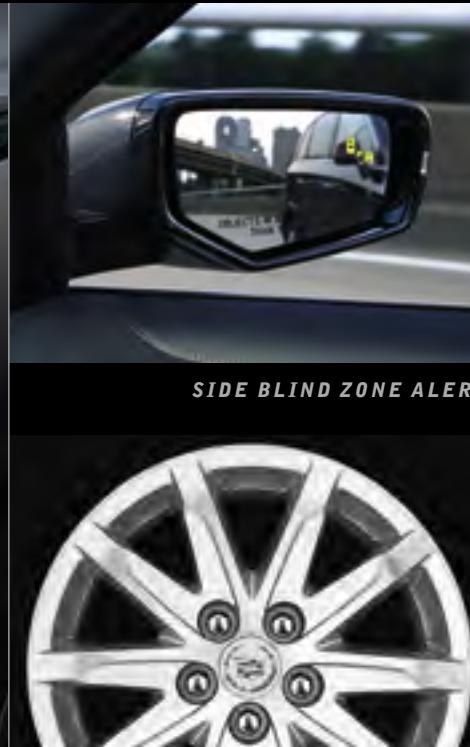

1. Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After complimentary trial period, an active OnStar service plan is required. 2. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and child safety seat instructions for more safety information.

THE LUXURY COLLECTION:  
ELEGANCE  
INFUSED WITH INTELLIGENCE.

**INTELLIBEAM® DIRECTIONAL HID HEADLIGHTS**

Available HID headlights are equipped with a brilliant adaptive forward lighting system, directing the headlights to cast light precisely into your path of travel.

**SIDE BLIND ZONE ALERT**

**ULTRA BRIGHT WHEELS**

**ULTRA VIEW® SUNROOF**

Spanning both rows of seats, this sunroof can fill the cabin with a wealth of natural light, giving the CTS an even more spacious feel.

The Luxury Collection offers beauty and purpose. Rich leather seating surfaces with heated and ventilated front seats and heated steering wheel provide all-climate comfort, while the split-folding rear seat adds convenience. And it's all surrounded by the intuitive brilliance of CUE<sup>1</sup> with an 8" colour touch screen, Enhanced Voice Recognition, Bluetooth® with streaming audio and more. To finish it off, the bold 17" Ultra Bright wheels and HID headlights with an adaptive forward lighting system make a dramatic exclamation point.

Experience the thrill of this dynamic chassis with the CTS Performance Collection, featuring the 2.0L Turbo or the available 3.6L V6. Magnetic Ride Control keeps the balanced chassis dialed in on any road, while CUE<sup>1</sup> brings you your very own concert hall sound with a 13-speaker Bose® Surround Sound system. There's even the convenience of a full-colour reconfigurable Head-Up Display and Automatic Parking Assist for nearly effortless automated parallel parking. Enhance the experience further with the vast-spanning Ultra View sunroof, heated outboard rear seats and tri-zone climate control.

1. CUE functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. Visit CUE.Cadillac.ca for more details. 2. At the time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

**MAGNESIUM PADDLE SHIFTERS**

**CUE WITH NAVIGATION SYSTEM<sup>2</sup>**

THE PREMIUM COLLECTION:

PRECISION MAKES PERFECT.

VSPORT:

BREATHTAKING PERFORMANCE

FROM START TO FINISH.

**DYNAMIC 19" WHEELS**

Featuring an aggressive yet intriguing 10-spoke pattern, these available 19" polished-aluminum wheels are the ideal complement to the striking CTS design.

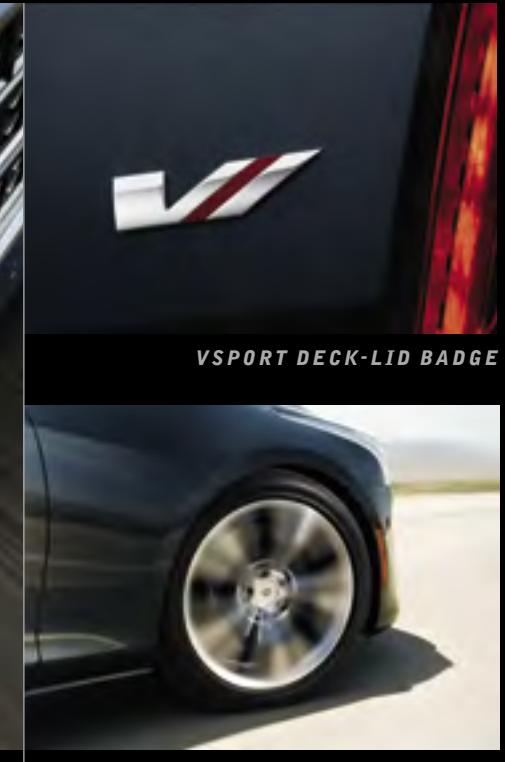

**ALUMINUM SPORT PEDALS**

**UNIQUE VSPORT GRILLE**

Not only does the exclusive Vsport grille feature black chrome accents for a sleek appearance, but it also allows more air to pass through for increased cooling and performance.

**EXCLUSIVE VSPORT WHEELS**

Step inside the Premium Collection, and discover a statement in every detail. The cabin is enveloped by fine leather, best viewed in the 20-way adjustable front seats. There's also a choice of exotic wood or authentic carbon-fibre trims and a reconfigurable instrument cluster. Add to all this the safety of full-speed Adaptive Cruise Control, Front and Rear Automatic Braking, and Automatic Safety Belt Tightening—all part of the Driver Assist Package. The finishing touches come with either the 2.0L Turbo or available 3.6L V6 along with polished 18" wheels or available 19" polished wheels.

Choose the CTS V-Sport,<sup>1</sup> and step into an exhilarating 420 hp and 430 lb.-ft. of torque from its Twin Turbo V6. The RWD chassis features the exclusive Magnetic Ride Control Track mode. Powerful Brembo<sup>®</sup> front brakes with available high-performance brake linings sit behind stunning 18" wheels. Inside, you'll find leather seating surfaces with heated and ventilated front seats, the convenience of CUE with navigation,<sup>2</sup> and a premium Bose<sup>®</sup> Surround Sound system. The V-Sport Premium Collection adds a 12.3" reconfigurable gauge cluster, full-colour Head-Up Display, heated outboard rear seats, tri-zone climate control and 20-way adjustable front seats. Equally impressive is the Ultra View<sup>®</sup> sunroof, Driver Assist Package and 18" Ultra Bright wheels.

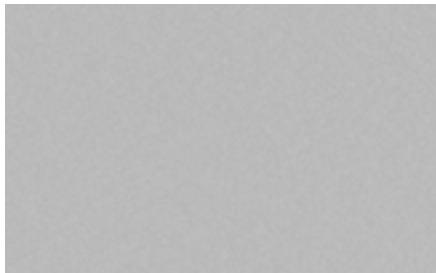

## PAINt FINISHES

**TINTCOAT** A premium 2-layer paint application with the addition of a tinted clearcoat, lending the finish an extra depth and brightness.

**TRICOAT** A meticulous 3-layer process that results in a dramatic hue-shifting colour.

## INTERIOR THEMES.

Personalize your CTS with these distinct interior environments, featuring a rich colour palette accented with authentic trim materials, including Sapele, Olive Ash burl and natural Elm wood; and aluminum or carbon fibre.

#### 17" ALUMINUM WITH PAINTED FINISH

Standard on CTS; includes P245/45R17 all-season<sup>1</sup> run-flat tires  
Size: 17" × 8.5" front and rear

#### 18" ALUMINUM WITH POLISHED FINISH

Available on CTS Luxury, Performance and Premium Collections; includes P245/40R18 all-season<sup>1</sup> run-flat tires  
Size: 18" × 8.5" front and rear

#### 18" ALUMINUM WITH POLISHED FINISH

Standard on CTS Premium Collection and available on CTS Performance Collection; includes P245/40R18 all-season<sup>1</sup> run-flat tires  
Size: 18" × 8.5" front and rear

#### 19" ALUMINUM WITH POLISHED FINISH

Available on CTS Performance and Premium Collections; includes P255/35R19 all-season<sup>1</sup> run-flat tires  
Size: 19" × 8.5" front and 18" × 9.5" rear

#### 17" ALUMINUM WITH ULTRA BRIGHT FINISH

Standard on CTS Luxury Collection; includes P245/45R17 all-season<sup>1</sup> run-flat tires  
Size: 17" × 8.5" front and rear

#### 18" ALUMINUM WITH PREMIUM PAINTED FINISH

Standard on CTS Performance Collection and available on CTS Luxury Collection; includes P245/40R18 all-season<sup>1</sup> run-flat tires  
Size: 18" × 8.5" front and rear

#### 18" ALUMINUM WITH ULTRA BRIGHT MACHINED FINISH AND MIDNIGHT SILVER PAINTED POCKETS

Standard on CTS Vsport Premium; includes performance summer-only<sup>2</sup> run-flat tires, P245/40R18 front, P275/35R18 rear  
Size: 18" × 8.5" front and 18" × 9.5" rear

1. All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area. 2. Summer-only tires tend to wear faster and are more susceptible to damage from road hazards or curb impact than standard profile tires. This type of damage is not covered by the New Vehicle Limited Warranty. You may want to get different tires if you expect to drive in winter conditions. See your dealer for proper tire selection.

1. Arriving early 2014. 2. Vehicles equipped with these linings will experience faster accumulation of brake dust on wheel surfaces and may produce more noise than with standard linings. 3. Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards, and start the turn signal. 4. Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. 5. Automatic transmissions only. 6. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an airbag. See the Owner's Manual and child safety seat instructions for more safety information. 7. Not compatible with all devices. 8. Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit <a href="http://siriusxm

# CADILLAC SHIELD

## THE STANDARD OF LUXURY OWNERSHIP

We set out to create the ultimate customer experience. The result is Cadillac Shield, and it backs every vehicle we sell.

From innovations like Remote Vehicle Diagnostics and advanced mobile apps to our Premium Care Maintenance program,

Cadillac Shield gives luxury owners everything they need.

### WARRANTY PROTECTION

Cadillac's 6-year or 110,000-km<sup>1</sup> Powertrain Warranty offers more years and miles standard than BMW and Mercedes-Benz. In addition, our 4-year or 80,000-km<sup>2</sup> Bumper-to-Bumper Warranty covers repairs on your entire vehicle, including parts and labor, to correct problems in materials or workmanship.

### PREMIUM CARE MAINTENANCE

Standard on every new Cadillac is the Premium Care Maintenance program. It covers routine oil changes, tire rotations, certain air filter replacements and a thorough multipoint vehicle inspection for 4 years or 80,000 km<sup>3</sup>.

### NAVIGATION BY ONSTAR®

The standard one-year Directions & Connections Plan allows you to push one button to connect with a live Advisor to find the things and places you want. Get directions or a diagnostics check while you drive. Make calls safely with both hands on the wheel, and control your vehicle with the RemoteLink<sup>®</sup> mobile app. And, as always, get help immediately in a crash or an emergency. These are just a few examples of the level of personal service we think you deserve as a Cadillac owner.

### SECURITY BY ONSTAR

If you've reported your Cadillac stolen, OnStar can use GPS technology to help authorities quickly locate and recover it. An OnStar Advisor can further assist authorities by sending a remote Stolen Vehicle Slowdown<sup>®</sup> signal to your vehicle to slow it down. Advisors can also enable a Remote Ignition Block,<sup>7</sup> making it impossible to restart a stolen vehicle once it has been turned off.

### ROADSIDE ASSISTANCE

Cadillac offers more years of Roadside Assistance standard than any leading luxury brand, with services for 6 years or 110,000 km<sup>4</sup>. The program provides lock-out, towing, refueling services and more.

### COURTESY TRANSPORTATION

This Cadillac program provides alternate transportation and/or reimbursement of certain transportation expenses if your Cadillac requires warranty repairs for 6 years or 110,000 km<sup>5</sup>.

### DIAGNOSTICS BY ONSTAR®

With the most comprehensive diagnostics<sup>4</sup> from OnStar,<sup>6</sup> maintaining your Cadillac can be as simple as checking your email or your OnStar RemoteLink<sup>®</sup> mobile app. Every month, you can receive an email with the status of key operating systems, or push your OnStar button for a real-time diagnostics check on demand.

### EMERGENCY BY ONSTAR

With Automatic Crash Response,<sup>5</sup> in most crashes, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your Cadillac to see if you need help sent to your exact location. Other OnStar emergency services include Injury Severity Predictor and First Assist, which ensure you quickly get the help you need when seconds matter most. All Cadillac models come with 1 year of OnStar service standard.

### CONNECTIONS BY ONSTAR

Available Hands-Free Calling<sup>8</sup> capability from OnStar allows you to make and receive calls safely from your Cadillac. With the OnStar RemoteLink<sup>®</sup> mobile app, you can access real-time information and control your Cadillac from anywhere you have cellphone service. Now you can even find a destination with RemoteLink<sup>®</sup> and send directions right to your vehicle.

MY CADILLAC APP<sup>9</sup>

The ingenuity of the CTS doesn't stop with the vehicle. As a Cadillac owner, an advanced complimentary app is available for your new car. From virtually anywhere at any time, a few taps of your finger on your iPhone or Android smartphone let you access features like parking reminders, Roadside Assistance and more. Plus, in conjunction with the OnStar RemoteLink<sup>®</sup> app, you'll have the ability to remotely start your vehicle (when factory equipped) from any place you have cell service and lock and unlock your doors.<sup>10</sup> In addition, you can access key diagnostic information, including fuel tank level and range and remaining oil life.

1. Whichever comes first. See dealer for limited warranty details. 2. Whichever comes first. See dealer for select scheduled maintenance details. 3. ### ACQUISITION OPTIONS

In addition to the many exclusive privileges of Cadillac ownership, General Motors of Canada has created a range of supplementary support programs to enhance your ownership experience. Some of these programs assist you in purchasing the Cadillac of your choice. Others help protect you and your new Cadillac over the long term.

### PURCHASING:

- **Purchase Financing or Leasing** — On-the-spot financing at your GM dealership<sup>1</sup>.
- **The GM Card** — GM cardholders may redeem up to \$3,500 GM Card<sup>®</sup> Earnings (subject to Vehicle Redemption Allowances<sup>2</sup>) toward the Total Purchase Price on eligible new GM vehicles.<sup>3</sup> For full program details, please visit [thegmcard.ca](http://thegmcard.ca).

### ADDITIONAL OWNERSHIP PROGRAMS:

- **GM Protection Plan (GMP)** — The only extended service plan backed by the resources and commitment of General Motors. GMP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.<sup>3</sup>

### INFORMATION RESOURCES:

You can obtain more information about Cadillac vehicles and programs from your Cadillac dealer, or at these information centres:

- The Cadillac website at [cadillac.ca](http://cadillac.ca).
- The Cadillac Contact Centre at **1-888-446-2000** (1-800-263-3830 for TDD users).

### A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your Cadillac dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for a product, for any reason, or to start and end model years at different times.

### A WORD ABOUT ASSEMBLY

Cadillac vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Cadillac vehicles. Certain equipment ordered may be unavailable at the time of assembly, and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

### A WORD ABOUT CORROSION

Cadillacs are designed and built to resist corrosion. All body sheet-metal components are warranted against rust-through corrosion for 6 years. There is no deductible for rust-through repairs. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended.
